

Fall 2022 Bexar County Animal Validations

BCJLS offers validation ear tags for lambs, goats, cattle, and pigs for **\$2 cash** at certain validation events. BCJLS is NOT present at every validation. Check the list below to be sure we will be present if you want a BCJLS tag.

A BCJLS tag is valid for the BCJLS show and certain other smaller shows. **A BCJLS ear tag by itself is NOT valid for major shows**, such as the San Antonio Livestock Show. A list of Texas major shows is [here](#).

State validation information can be found on the [Bexar County Agri-Life Extension webpage](#).

The [Texas Youth Livestock and Agriculture \(TYLA\) website](#) has more information about state validation.
