

# 61<sup>st</sup> Annual Bexar County Junior Livestock Show

## Scholarship Program

Each year, the BCJLS awards several \$500 scholarships for students to attend colleges and trade schools. We ask scholarship applicants about the cost of their education and their anticipated return on investment.

We plan to substantially increase the amount of the BCJLS scholarships and have meetings scheduled to start an endowment for the scholarships. We are already making plans to accomplish these goals and expect it to take about 4 years. **If you are interested in contributing to the endowment or have other scholarship questions, please contact BCJLS director Rebecca Morrison at [CreativeArtsSuper@bcjls.com](mailto:CreativeArtsSuper@bcjls.com) or speak to any of our directors.** Thank you!
