

63rd Annual Bexar County Junior Livestock Show

Scholarship Program

Each year, the BCJLS awards several \$500 scholarships for students to attend colleges and trade schools. We ask scholarship applicants about the cost of their education and their anticipated return on investment. If you are interested in contributing to the scholarship fund, please contact BCJLS vice president Mark Haverkorn at MarkH@bcjls.com or speak to any of our directors. Thank you!

This year, the competition was particularly tough with many applicants finishing within a few points of each other. The recipients are hard workers with impressive resumes. Some are Ambassadors, an honor that required an in-person interview and an expectation that they would work many hour with the BCJLS this year. Way to go!
